Legal authority

The use of the name San Antonio Creek for this feature, and its definition as proposed above, accords with the use of the name in the laws of California (Political Code-(1919), § 3957; (1923), § 3957) in which the boundary of Sonoma County is defined as extending * * * "to the mouth of Petaluma Creek; thence up said creek to the mouth of San Antonio Creek; thence up said San Antonio Creek to its head; thence in a direct line to the head of the Estero Americano, on the line surveyed and established by William Mock, under the direction of the surveyor general, in the year 1856, thence down said Estero Americano to its mouth; thence due west three miles to a point in the Pacific Ocean."
