USGS (NMD), Bancroft 1:62; submitted to resolve a name application problem among Federal maps; current USGS, USFS and county maps show recommended application but 1949 USFS map and 1982 NOS Aeronautical chart apply the name to a peak known locally as Sedgwick Peak (q.v.); name and application approved on August 9, 1982 by Idaho State Geographic Names Board; not in a USNE but shown on Caribou NF map.
