"This lake has for years been known as 'Big Pond' and 'Fairview Lake', but a few years ago one property owner tried to change it to 'Lake Arthur' and there has been a confusion of names ever since, but a few weeks ago those owning property on the lake met to decide on the name which was put to vote; all voted for 'Fairview' except the one who wanted it called 'Lake Arthur', and 'Fairview' Lake' was adopted. The one opposing party immediately adopted the same."
