

Adopted name \*Mayacmas Mountains

Description a part of the Coast Ranges of California in Lake, Mendocino, Sonoma and Napa Counties, between the Russian River Valley on the west and Clear Lake and upper Putah Creek drainage on the east, which extends southward from the depression occupied by East Fork of Russian River, Cold Creek, and Blue Lakes to about lat. 38°35' N. (Not Miyakma Range, Mayacamas Mountains, nor St. Helena Range.)
