Description:

Chumash Peak: peak with an elevation of about 1,250 feet, just northwest of Bishop Peak, and about 2 miles north-northwest <sup>tape OK</sup> of San Luis Obispo; named for a linguistic family of Indians that lived on the south coast of California; San Luis Obispo County, California; sec. 20, T. 30 S., R. 12 E., Mount Diablo meridian; 35°18'27" N., 120°42'41" W.

8 SEP 1964

6403

San Luis Obispo County Historical Society, San Luis Obispo  
1:62; this peak is without a name and the Society wants to name  
it for a tribe of Indians that inhabited the area, the Chumash  
Indians; not in a USNF.
